FY 2021 Payments to Governments Report

Petra Diamonds Limited publishes the Company's Payments to Governments Report for the year ended 30 June 2021 ("the Year" or "FY 2021") (the "Report").

About this Report

This Report, which provides an overview of the payments to governments made by Petra Diamonds Limited, its subsidiaries and jointly controlled operations, is required under the United Kingdom's ("UK") Report on Payments to Governments Regulations 2014 (as amended) ("the Regulations"), which apply to large, UK-listed extractive companies. The Report aims to satisfy the Regulations as well as the Disclosure and Transparency Rules of the Financial Conduct Authority in the UK.

For the purposes of this Report, "government" will include any national, regional or local authority of a country, and includes a department, agency or entity that is a subsidiary of a government. It excludes any payments to State Owned Enterprises to procure goods or services from these enterprises typically consisting of utilities such as water and electricity.

This report is also available on the Company's website at:
www.petradiamonds.com/investors/results-reports/.

Reporting threshold

This Report includes payments made which individually or collectively exceed GBP 86,000 within a financial year, as per the Regulations, however payments below this threshold may also be included.

Types of payments

1. Corporate taxes

These are taxes paid by Petra on its income and profits in accordance with legislation enacted in the applicable jurisdictions, but exclude taxes levied on consumption (e.g. VAT, personal income taxes and sales taxes). Payments are reported net of refunds.

2. Mining and other license fees

These are mining licenses and regional levies paid by Petra in accordance with legislation enacted in the applicable jurisdictions.

3. Royalties

Royalties levied on the sale of rough diamonds. South African royalties are calculated on a sliding scale based on profitability and Tanzanian royalties are levied at a fixed rate. For more information, visit <https://www.petradiamonds.com/about-us/who-we-are/where-we-operate/>.

4. Infrastructure improvements

These include Community Social Investment and Local Economic Development related expenditure on permanent infrastructure, which is mandatory spend required of the Company as per its Social and Labour Plans in South Africa.

5. Other

About Petra Diamonds Limited

Petra Diamonds is a leading independent diamond mining group and a supplier of gem quality rough diamonds to the international market. The Company's portfolio incorporates interests in three underground producing mines in South Africa (Finsch, Cullinan and Koffiefontein) and one open pit mine in Tanzania (Williamson).

Petra's strategy is to focus on value rather than volume production by optimising recoveries from its high-quality asset base in order to maximise their efficiency and profitability. The Group has a significant resource base of ca. 230 million carats, which supports the potential for long-life operations.

Petra strives to conduct all operations according to the highest ethical standards and only operates in countries which are members of the Kimberley Process. The Company aims to generate tangible value for each of its stakeholders, thereby contributing to the socio-economic development of its host countries and supporting long-term sustainable operations to the benefit of its employees, partners and communities.

Petra is quoted with a premium listing on the Main Market of the London Stock Exchange under the ticker 'PDL'. The Company's US\$336.7 million notes due in 2026 are listed on the Irish Stock Exchange and admitted to trading on the Global Exchange Market. For more information, visit www.petradiamonds.com.
