1 INTRODUCTION

- 1.1 This manual is published pursuant to sections 14 and 51 of the Promotion of Access to Information Act 2 of 2000 ("**PAIA**") which was promulgated in order to nurture an ethos which promotes transparency, accountability and effective governance of all private and public bodies. - 1.2 PAIA requires organisations to compile a manual as a guide to requesters of information. The manual also serves to indicate the types of records held by the entities listed on page one of this document and herein referred to as "**Petra Diamonds/we/us/our**" and the availability of such records from Petra Diamonds.
- 1.3 In addition, the manual explains how to access, or object to, or request correction or deletion of, personal information held by Petra Diamonds, in terms of sections 23, 24 and 25 of the Protection of Personal Information Act 4 of 2013 ("**POPIA**"), and the Regulations Relating to the Protection of Personal Information, 2017 ("**POPIA Regulations**").
- 1.4 This manual is not exhaustive of, nor does it comprehensively deal with, every procedure provided for in PAIA. Requestors are advised to familiarise themselves with the provisions of PAIA and POPIA before making any requests to Petra Diamonds in terms of these Acts. However, in terms of section 19 of PAIA, and Regulations 2 and 3 of the POPIA Regulations, Petra Diamonds will provide such assistance as is required in completing the necessary forms, by parties applying for access to information or personal information.
- 1.5 Petra Diamonds makes no representation and gives no undertaking or warranty that the information in this manual or any information provided by it to a requestor is complete or accurate, or that such information is fit for any purpose.

- 9.2 For POPIA-related requests to object to the processing of personal information, correct or delete personal information, the request must be made in writing on the applicable prescribed **Form 1** (objection) or **Form 2** (correction or deletion), which are attached to this Manual as **Annexure B**.
- 9.3 The requestor must provide sufficient detail to enable the persons mentioned in paragraph 3.1 to identify the record(s) requested and the requestor. The requestor must indicate which form of access is required, identify the right that he/she is seeking to exercise or protect and provide an explanation of why the requested record is required for the exercise or protection of that right.
- 9.4 If the request is made on behalf of another person, the requestor must submit proof of the capacity in which the requestor is making the request, to the reasonable satisfaction of the person contacted in terms of paragraph 3.1.
- 9.5 PAIA makes provision for certain grounds upon which a request for access to information must be refused. On this basis, the person contacted in terms of paragraph 3.1 will make a decision whether or not to grant a request for access to information.

10 PAYMENT OF FEES

- 10.1 PAIA provides for two types of fees, namely –
- 10.1.1 a request fee, which will be a standard non-refundable administration fee, payable prior to the request being considered; and

- 10.1.2 an access fee, payable when access is granted which must be calculated by taking into account reproduction costs, search and preparation time and cost, as well as postal costs.
- 10.2 Subsequent to a request being made, the person contacted in terms of paragraph 3.1, shall by notice require the requester, excluding personal requester, to pay the prescribed request fee (if any), before further processing of the request.
- 10.3 Petra Diamonds may require a requester to pay a deposit in instances where the time taken in searching for and preparing to disclose a record is more than the hours prescribed in the regulations. The deposit will be in the form of a prescribed portion of the access fee which would be payable if the request is granted. For more information on this, please refer to the dialogue box at the end of **Annexure C**.
- 10.4 Petra Diamonds may also withhold a record until the requester has paid the fees as indicated in **Annexure C**.
- 10.5 A requester whose request has been granted must pay the applicable access fee for reproduction, search, preparation and for any time reasonably required in excess of the prescribed hours to search for and prepare the record for disclosure including making arrangements to make it available in the request form.
- 10.6 In terms of POPIA, a data subject has the right to request Petra Diamonds to confirm, free of charge, whether or not it holds personal information about the data subject and request from Petra Diamonds the record or a description of the personal information held, including information about the identity of all third parties, or categories of third parties, who have, or have had, access to the information.
- 10.7 POPIA further provides that where the data subject is required to pay a fee for services provided to them, Petra Diamonds must provide the data subject with a written estimate of the payable amount before providing the service and may require that the requestor pay a deposit for all or part of the fee.

11 APPLICABLE TIME-PERIODS

- 11.1 Petra Diamonds will inform the requester within 30 days after receipt of the request of its decision whether or not to grant the request.
- 11.2 The 30 day period may be extended by a further period of not more than 30 days if the request is for a large number of records or requires a search through a large number of records and compliance with the original period would unreasonably interfere with the activities of Petra Diamonds or the records are not located at Petra Diamonds.

12 OUTCOME OF THE REQUEST (GRANTING OR REFUSING)

Should the request be refused, the notice will state adequate reasons for the refusal, including the provisions of the PAIA relied upon; and that the requester may lodge an application with a Court against the refusal of the request.

13 GROUNDS FOR REFUSAL OF ACCESS TO RECORDS

- 13.1 In terms of Section 62 to 69 of the Act, access granted to a record may be refused on one or more of the following grounds –
- 13.1.1 protection of privacy to a third party who is a natural person;
- 13.1.2 protection of the commercial information of a third party;
- 13.1.3 protection of certain confidential information of a third person;
- 13.1.4 protection of the safety of individuals and the protection of property;
- 13.1.5 protection of records privileged from production and legal proceedings;
- 13.1.6 the commercial information of Petra Diamonds;
- 13.1.7 the protection of research information of a third party.

- 13.2 Despite any provisions of PAIA, a request must be granted if the disclosure of the record would reveal evidence of substantial contravention of, or failure to comply with, the law or imminent and serious public safety or environmental risk, and the public interest in the disclosure of the record clearly outweighs the personal harm which may be caused by not publishing the information. (section 70 of PAIA).

14 **REMEDIES FOR REFUSAL**

Should the requester be dissatisfied with the Information Officer or the Deputy Information Officer's decision to refuse access, that person may within 30 days after notification of the refusal apply to a Court for the appropriate relief.
